

A welcome to all from Youth@Saints

St Peterâ??s College has asked us to let all parishes in the diocese know about their new Christian youth group, Youth@Saints where boys and girls from years 7 to 12 are welcome every Friday evening from 7-9 pm.

If your parish doesnâ??t have a youth group, or has one but at a different time, your young people would be most welcome.

â??We have young people from a variety of different schools, and would love to welcome many others for a night of fun with opportunities to grow in our relationship with God and each other,â?• says Saints Associate Chaplain Ben Bleby.

The group has produced a short video, which gives a feel for whatâ??s in store, which you can see above, or download a flyer to print off and circulate around your parish here.
